Subject: Resignation Notification

Dear Mr. Duraid,

It is with regret that I would like to officially announce my resignation as I have found a role that is closer to my family in Abu Dhabi. I have truly enjoyed my time working at Al Wahda Private School with you and the vice principals. Working with Athena was a very rewarding experience, and I would like to thank them all for this incredible journey.

Please accept this email as formal notification that I am resigning from my position as Head of Curriculum / Teaching and Learning, effective today, February 26, 2026.

As I am currently within my probationary period and will be joining another employer within the UAE, I am submitting this resignation in accordance with Article 9, Clause 3 of Federal Decree-Law No. 33 of 2021. Under this article, I am providing the mandatory 30-day notice period.

My notice period will conclude on Saturday, March 28th, which will be my final official day of employment.

As per Article 43 of the Labor Law, notice periods are calculated in calendar days, meaning my notice period will run continuously through the upcoming Spring Break closure. Because my role does not involve student grading or classroom management, I am perfectly positioned to complete a comprehensive handover of all my operational duties and return any school property by Thursday, March 26th (Note that I am willing to come on Saturday, March 28th if necessary to ensure the handover is done in full).

My priority is a clean, immediate work permit cancellation before March 28th so my new employer can process my onboarding without delay. I respectfully request that my statutory 30-day notice be honored in full to ensure this smooth transition.

Thank you for the opportunity to work with the team over the past months. I look forward to wrapping up my duties smoothly.

Sincerely,

Brandon A. Baki
